## JOE'S CORNER...

Pardon Our Dust!

The long awaited construction project is upon us and we couldn't be more excited. Our office renovation will start with a new branch building and drive thru. We anticipate this will be completed by summer. The existing branch will then be converted into a new operations center. Extra time was taken to ensure each aspect of our project is completed, as promised in our Labor Harmony Agreement, by a union member... just like you.

### Coming Soon!

## Welcome Romeo Engine Plant!

Starting in April, our friends at the Ford Romeo Engine Plant will have use of an ATM machine. Shout out to Lenny and Franco for encouraging employees to become members. We have close to 100 members at the plant to date. We anticipate that number to grow as we spend more time introducing our products and services.

Coming to a plant near you. Limited credit union hours will take place in the plants temporarily due to the road construction project expected to hit Mound Road. Watch for hours posted in the following plants:

Ford Sterling  
Ford Van Dyke  
Romeo Ford
