JOE'S CORNER...

Convenience. THE LOCAL has spent the past few years trying to figure out how to be more convenient for our membership. If you work at any of our plants, you will see our smiling faces weekly or monthly to answer questions, make account changes or apply for loans. Another

example of convenience was the addition of our drive thru as well as drive up ATM. We also see technology advancements as conveniences, such as Remote Deposit Capture and debit card controls in our mobile app. In the past 12 months, we have introduced multiple new product offerings including full-service mortgages and rewards checking accounts.

We are committed
to be a wonderful
financial resource for
you and your family.

*APR - Annual Percentage Rate is "as low as" and may be changed based on credit history, term and other underwriting factors. NEW MONEY ONLY. LOANS CURRENTLY AT THE LOCAL CREDIT UNION ARE NOT ELIGIBLE. Payment example: A loan amount of \$25,000.00 at 1.99% for 60 months would have a monthly payment of \$438.10 or a weekly payment of \$101.10. Promotional rate is subject to change without notice. Promotion ends April 30, 2020. The Local Credit Union is federally insured by the NCUA.

On March 5th, we held a Homebuyer Seminar at our branch with our Partner, Member First Mortgage. The turn out was great and the information abundant! They presented to the group some of the most popular questions and concerns for those who are going through or thinking about the Mortgage process.
