JOE'S CORNER...

Thank you for your patience over the past three months while we changed hours and methods of access at the THE LOCAL; we were traveling in uncharted territory to keep members and employees safe. Please keep in your thoughts all those members who we lost to COVID-19; we will miss their smiling faces. In the past two years we have invested in services that are 'touchless' such as our mobile application that allow for remote deposit, P2P (Person to Person) and bill pay; additionally, our credit and debit cards conveniently connect to Apple/Samsung/Google Pay in order to serve you better. Although we invested in technology, we continue to invest in people. Technology can never replace the experience of speaking with one of our employees. We are safe, healthy and the lobby is open whenever you are ready to come and see us.
