Labor Day

JOE'S CORNER

In 2016, THE LOCAL realized that sharing has amazing benefits. As you will see on the reverse side of this newsletter, we are having the 5th Annual Battle of The Locals highlighting our Labor Week Celebration starting Monday, September 13th. The Battle of The Locals started six years ago in an effort to connect local leadership with one another. During this time, we have hosted teams from the UAW (228, 2280, 400, and 155), BAC Local 2, Plumbers Local 98, Sheet Metal Workers Local 80, Operating Engineers Local 324, NALC 4374, ATU 1564, GCC/IBT DC 3, Ironworkers Local 25 and the IUPAT. It gives these locals the chance to exchange ideas in a fun/competitive way. If your local is not listed in the group mentioned above, contact your local leadership and let them know to contact us right away! Enjoy your summer and we will see you this fall.

On June 2nd, Lindsay and Amy spent some quality time with our friends at the Sheet Metal Workers Local 80 Training Center in Warren, going over budgeting, saving, and credit questions. It was a great group of guys, thank you for having us!

New Fee:

Starting August 1, you will be charged a \$5 Fee for processing a foreign check. Check out the "Disclosures and Policies" link at the bottom of our website for the entire fee schedule.
