JOE'S CORNER...

Over the past 10 years at THE LOCAL, we have invested heavily in technology to provide you with a full menu of products and services. We introduced our Mobile Wallet options (Apple Pay, Google Pay and Samsung Pay) four years ago. This gives you the ability to load your credit union debit and credit card on your phone which allows the ability to make in store purchases with a waive of your phone. This was a life saver recently when I forgot my physical wallet at home. As my gas tank went from low to empty and no wallet I feared the worst (I would have to call my wife to bring me money). With cell phone in hand, I entered the gas station and asked "do you accept Apple Pay?" The clerk smiled and said "you bet!" With a waive of my cell phone, crisis averted, and I continued on my way.

If you are not using this service, please give us a call for instructions on adding your cards to your Mobile Wallet. You never know when you might need it.
