Where did 2023 go?!? This is a question we ask ourselves every year and it seems as we get older, the years go by much faster. We consider ourselves blessed here at **THE LOCAL**. Our work family is a dedicated group who are attentive to every one of your individual needs. I couldn't be more proud of the team we have to help you.

I am also proud of the new team we assembled this year to handle your insurance needs. Protecting your assets is the theme of **THE LOCAL insurance group** with products to insure your home, auto, boat, business and loved ones. Life insurance should be your focus in 2024 as we saw several young members pass away this past year. Life insurance provides the peace of mind that our family members are being cared for after we are gone.

Please give us an opportunity to quote your insurance this coming year; you will be glad you did. Happy New Year!

We do.
