Labor Day

**Happy 75th Anniversary!** On July 22nd, we celebrate 75 years serving you, our union family. A year ago, the credit union made its most significant investment in our 75-year history. THE LOCAL insurance group was formed to provide you with significant savings on your home, auto, boat, motorcycle, camper, life and commercial insurance. It is an exciting opportunity for you to get your financial AND insurance needs met at one place. As you will see with our logo at the top of this newsletter, we added the words “insurance, banking and more.” As we move forward into the next 75 years, we are going to concentrate on ‘more.’ What more can we do for you? An example of ‘more’ is pictured below. Roofers Local 149 were on strike for three weeks during their negotiations. THE LOCAL notified our union family members and encouraged them to support the Roofer’s picket line. In solidarity, the officers of UAW Local 228 joined employees of the credit union on Local 149’s strike line. THE LOCAL is committed to being ‘more’ for you.
