The big news a month ago was that Comerica has merged with 5/3 Bank. The merger will make 5/3 Bank the ninth largest institution in the United States at over a quarter of a trillion dollars. As financial institutions continue to become bigger through mergers and acquisitions, it is an important reminder why you have your membership with THE LOCAL. To maximize your membership, please consider investigating our Kasasa Rewards, Little Laborers accounts, or home and auto insurance. We continue to add products and services that will help you reach your financial goals. We are proud to be the only labor focused credit union in the State of Michigan and glad we are not 5/3 Bank, we hope you are too.

Insurance Corner

What is GAP insurance? GAP stands for Guaranteed Asset Protection. GAP is offered when you are financing your vehicle. In the event your vehicle is a total loss from an accident or theft and the insurance reimbursement does not cover the balance of your loan, GAP protects you from paying out of pocket for the difference.

GAP can be added to your vehicle loan at any time. Ask us for details today!
